Know Your Role- Please make sure **everyone** prints their name on the scoresheet. Captains, Refs, Snitches and Pitch Managers.

Know Your Role- Remember to record all cards - player's number, name and foul. Are they needed in the penalty box?

Know Your Equipment- Always update the scoresheet first but remember to update the scoreboard too.

Timekeepers

Know Your Role- Remember to watch and listen for the HR/SR's gestures, calls and whistle.

Know Your Equipment- It's always best to have two clocks (one for game time, the other for penalties/timeouts).

Remember Your Calls- Remember to call lots of time intervals. 5, 10, 15, 17, 18, 23, 28 & 33 minutes. Countdowns are a players' friend.

Remember Advantage- In Overtime, if the HR raises their arm or throws the advantage marker then you must stop the clock.
