## Club Veto Policy

*Designed for use in the General Forum, this policy outlines the requirements for members to call a veto on the decisions made by the Executive Management Team (EMT)*

### 1. Calling a Veto

- a. Any representative can call for a veto vote by requesting that it be added to the agenda for the General Forum as a discussion point.
  - i. *Agenda points will be requested by the Teams Director Development Director when the General Forum is announced to Member Clubs.*
  - ii. *Agenda points are raised via a submission form on the QuidditchUK website.*
- b. In order for a veto vote to take place in a General Forum meeting, **at least 60% of all member clubs must be represented** (a quorum).
  - i. *If there is a lower attendance than this after the first call for a veto, the vote will be rescheduled for a future General Forum.*
  - ii. *If the quorum is then not reached on the subsequent General Forum, the veto call is dropped.*
- c. Should a veto item be added to the agenda, QuidditchUK will email all clubs to inform them of the quorum requirement.
- d. A majority of the **75% clubs present**, voting in favour of the veto, is required to pass it.
  - i. *In the case of uneven numbers, votes will be rounded up to the nearest 5%*
- e. Should a veto **pass**, the item will be returned to EMT to discuss and decide on again.
- f. Only actioned items from the [Executive Management Team minutes](#) may be put forward for Veto.
- g. Actioned items from the EMT minutes that are more than 6 months old, may not be put forward for a veto.

### 2. Undiscussed Items

- a. If representatives are unhappy with an item not discussed in an Executive Management Team meeting and therefore not on the minutes, they can raise this as a point at the General Forum for the EMT to discuss.
- b. Following the EMT discussion, if representatives are unhappy with the outcome, the club veto procedure may be put into action as per **Section 1**.

### 3. Staff Appointments

- a. Staff appointments are not included in the veto.
